Sustainability Updates

Environmental

- Launch of an **employee benefits program to support adoption of hybrid and electric vehicles**, including:
  - Access to preferential financing rates.
  - Access to EV charging stations at corporate buildings.
  - Insurance coverage for cell phones and chargers.
  - Internal communication campaign to promote the program among employees.
- **Timely submission of the 2025 Annual Operating Report** (*Cédula de Operación Anual*).
  - Ensuring compliance with applicable environmental **reporting obligations**.

Social

- **Update to the Human Rights Policy**, incorporating due diligence processes and guidelines.
  - Strengthening social and human rights' risk management and impacts associated with investment activities.
- Enhanced diversity, equity and inclusion practices through **the issuance of the Diversity, Equity and Inclusion Policy.**
  - Promoting equal opportunities and fostering an inclusive workplace culture.
- **Financial education outreach to 1,671 individuals** through 21 workshops.
  - Benefiting clients, prospective clients, employees, and vulnerable communities.
- **Fundación Banorte:**

External community
- **Health:** +900 beneficiaries
- **Nutrition:**+24,000 food packages
- **Housing:** +500 beneficiaries
- **Education:** +1,300 students
- **Women:** +900 beneficiaries

Internal community
- **Mil sueños por cumplir (Education):** +2,600 scholarships
- **Fuerza Banorte (Health):** +800 beneficiaries
- **Volunteering:** +400 volunteers

Governance

- **FTSE ESG Rating improvement,** increasing to 3.9 from 3.6 out of 5.0 in the 2025 assessment, driven by:
  - Stronger disclosure on ESG integration in insurance activities and responsible products.
  - More comprehensive disclosure on risk management oversight and training.
  - This score ratifies **GFNorte's inclusion in the FTSE4Good Index**, which comprises of companies demonstrating strong environmental, social and governance practices.
- Publication of the **2025 Equator Principles Annual Report**, demonstrating continued commitment to the responsibilities of an Equator Principles' signatory.
- Recognition as a **Socially Responsible Company** by CEMEFI for the **15th consecutive year.**
- Recognition among **the world's most sustainable companies** in the "TIME World's Most Sustainable Companies 2026" ranking, compiled by TIME and Statista.

Sustainable Business

- ***Mujer PyME:***

2Q26
  - Origination volume: Ps **886** million; 428 loans.

Cumulative loan origination since launch:
  - Origination volume : Ps 3.86 billion; 1,925 loans.

- **Hybrid and electric vehicle loans:**

2Q26
  - Origination volume: Ps 3.40 billion; 8,917 loans.
  - Portfolio assessed: Ps 3.2 billion, equivalent to an estimated emissions reduction of 8,711 tCO_2e*.

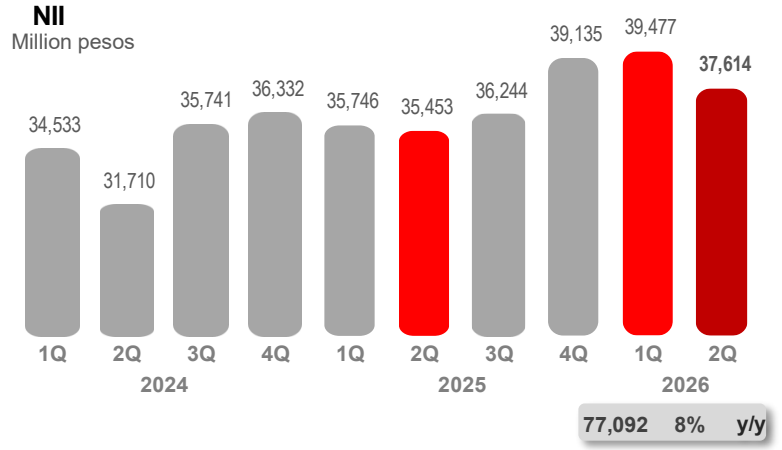

**Emissions reduction data are available for 96% of hybrid/electric vehicles financed.*

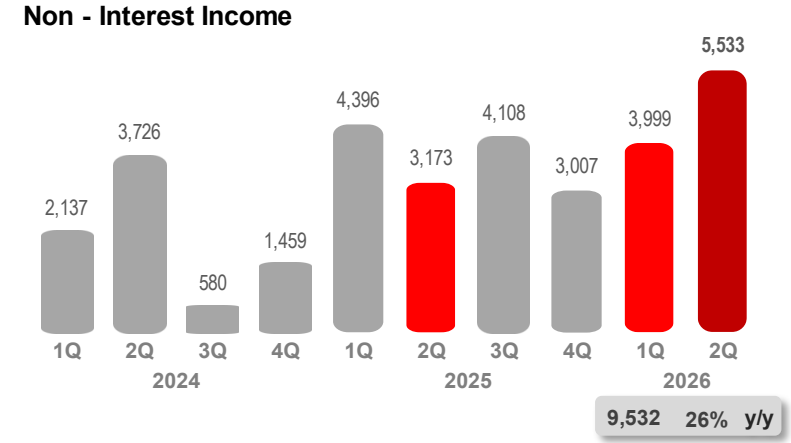

Financial Highlights

Increasing Net Interest and Non-Interest Income

- Funding efficiency and loan growth supported NII Loans/Deposits expansion: +15% y/y and 1H26 +13%y/y
